## Question

1) Finances what can I do to help to improve this and achieve better for my family? When are my good periods for this?

Currently, (from 27<sup>th</sup> January 2017 until 24<sup>th</sup> January 2020 ) in your Horoscope the Natal Saturn is Trine to the Transit Saturn. "During this period you will reach a stable understanding of who you are, and you can take control of your world and prepare to achieve your goals in life. This is...a time of preparation; you will not necessarily reach your goals now. But the base you lay down now will be very important."

Transiting Saturn Trine your natal Saturn. As I said before, provided that you do remedies for Saturn then this is a time of progress or advancement toward any goal that you are after. Your approach to your routine is likely to be more practical and methodical than usual. You may advance in your career or in your reputation at this time or get promoted to a more authoritative position. Superiors will see you as someone who is steady and reliable now.

Provided that you do remedies for the malefic effects of planet Saturn, then this period will make you busy and industrious, some new ways of developing your career, income, properties, business or education may open up for you to explore new opportunities. You become self willed and develop the personality to show your talent. Previously neglected activities or things will recommence with new vigor, things which were unsettled will gradually settle down with definite direction and fixed purpose, the opportunities will open up purchasing valuable things for low price.

Since Saturn is lord of your 1<sup>st</sup> house, this is usually a time of stability in your life when you feel more certain of who you are and what you want out of life. There is balance between your obligations and your ability to meet your personal needs.

Saturn is having the effect of cooling your emotions and steadying your personal life. This allows you to have greater control of your emotions. Your mood is sober and mature. You tend to be responsible and traditional in your approach to family matters, which seem more important to you now. There is balance between the demands of your professional life and your personal needs and consequently you feel less stressed. You are more capable of emotional detachment and therefore more able to deal with sensitive issues. You will tend to rely on traditions and habits from the past and your relationships with older people are improved. They

can give you valuable advice now. This is a good time to take care of issues related to real-estate or property.

A good yantra for Saturn's Malefic effects

If you are looking for a easy to use remedy, A good remedy for the health, wealth, longevity and success in career and family life is Sree Maha Murthunjaya (SRI MRUTHYUNJAYA JAPA KAVACHA ) energised with 10000 times with appropriate mantras is meant for Fulfillment of all Desires Mahamrityunjaya mantra is one of the Two Great mantras explained in the Vedas. The other being the Gayatri.

Therefore doing some simple remedies such as having a yantra (Vedic Talismans) to be kept in a place visible to you should be good . It is said that the 'Deities' reside in the Yantra - A Yantra is an instrument, or a talisman or a mystical diagram usually in copper, silver, gold or else a mix of 5 such metals called Pancha Dhathu. It is a technique or path, considered the simplest and shortest, through which one can attain one's desires, and fulfill one's wishes and good health and over coming problems.

In your case the best Yantra to have is Maha Murthunjaya Yantra which is energised with the chanting of the Mahamurthunjay Mantra 10000 times it provides health, wealth and happiness, particularly making one relieved of all dreadful difficulties, problems and mental torment. It dispels different kinds of fears, influences of evil planets ect. Mrityunjay is another name of Lord Shiva. Apart from the malefic effects of other planets such as Rahu and Ketu , this yantra is also good for the bad effects of Saturn as Saturn worships Lord Shiva and hence good for Saturns Malefic effects too. Besides this yantra together with the following Mahamurthunjaya mantra is also very powerful in overcoming health problems and also black magic and evil eye.

The mantra is:

"Om triayambakam yaja mahe  
sugandhim pusthi vardhanam,  
Urvarukamiva bhandhanam  
mrityor mukshiyā ma amritam"

For health and good luck, the other two best mantras are the following:

Mantra ( 2) Gayatri Mantra:  
(or the Maha Mantra or the mother of all mantras)

"Om Bhur Bhuwah Swah  
Thath Savithur Varaniyam  
Bhargo Devasya Dhi Mahi  
Dheyo yo Nah Prachodayath"

Mantra (3)  
Specially for the achievement of Health and good Luck

Dehi Saubhagyam-Arogyam  
Dehi Me Param Sukham  
Roop Dehi – Jaya Dehi  
Yasho Dvisho Jahi

*Meaning :*

*Grant me the wellbeing of the body and the health*  
*Grant me the Parama Sukha or the highest health, comfort and wellbeing of the body*  
*Grant me the good looks and the victory over the illnesses*  
*Grant me the wealth and the longevity.*

Chanting these 3 mantras daily as much as possible in conjunction with the above yantra will help you to overcome many difficulties including health problems. (Of course you have to take medicine and see a doctor too)

Relief is assured (unless it is a really an unescapable bad karma) as this is the most powerful yantra and the above given are the most powerful mantras described in Vadas.  
Below is how it looks like ( on copper plate, size is 8cm x 8cm)

In general the yantras can be placed in your temple at home, on your worktable or in your room or under your pillow ect. But it is important that you have to select the place to keep it thoughtfully as once you have selected a spot where to place the yantra, keep the yantra in that spot without frequently changing the place (ex. If you keep the yantra in left shirt pocket, do not place it in right pocket next day but keep it in left). frequent change of place hinders the build up of energy.
