Yearly Predictions – 2010 – According to Hindu Astrology

A note to readers

Readers please note that the below predictions are given according to Sri Lankan tradition of Vedic Astrological methods, using your Lagna as the base.

So don't get confused with your sun sign of Western Astrology. Hindu Astrology and Western astrology are two different systems, it is like Western Medicine and Ayurvedic or herbal Medicine and each has own methods of predictions.

If you wish to know the difference between Eastern and Western Astrology , you are invited to visit the following page of my web site. <http://jyotisha.00it.com/Difference.htm>) Unlike in western astrology where all the people born in whole world within a month, is classified as belongs to the same sign, in Hindu Astrology we say that, people belong to all the signs

can be born at a given spot with in 24 hours which is roughly 2 hours per sign and the below given predictions are given according to your Lagna.

If you do not know what is your Lagna , then why not calculate it by yourself ? You can do it simply by visiting the following web page <http://jyotisha.00it.com/bhava.htm> enter your birth date and also the time of birth, the page will do all the calculations and will tell you what is your Lagna it will also give you a free reading which will allow you to test whether the calculated Lagna is correct or not .
